Text

“

Text in italicized blue is omissible (see [Matching Guidelines B.3.5](#)). License or exception text will match to the text for the specified identifier if it either includes or excludes this omissible text.

Text in red is replaceable (see [Matching Guidelines B.3.4](#)). License or exception text will match to the text for the specified identifier if it includes a permitted variant of this replaceable text. The permitted variants can be found in the corresponding regular expression as shown in title text visible by hovering over the red text.
